2003–04

FIRST EXTRAORDINARY SESSION

Proclamation by Governor Gray Davis

(Convened December 9, 2002)

WHEREAS, an extraordinary occasion has arisen and now exists requiring that the Legislature of the State of California be convened in special session; and,

WHEREAS, the national and State economies have recovered very little from the recession of 2001; and,

WHEREAS, the economies of the State's major trading partners continue to struggle, and thus demand for California-made goods and services in weak abroad; and,

WHEREAS, the continuing decline in the stock market will further reduce personal income tax receipts from capital gains and stock options; and,

WHEREAS, the expected economic recovery from the national recession has not materialized as anticipated, thus reducing personal income tax, sales tax, and corporation tax revenues; and,

WHEREAS, on January 8, 2002 the Legislature was convened to meet in extraordinary session to make General Fund spending reductions in the 2001-02 fiscal year; and,

WHEREAS, the Legislative Analyst's Office and the Department of Finance are now projecting a budget shortfall exceeding \$21 billion over the 2002-03 and 2003-04 fiscal years; and,

WHEREAS, California's local, public, health care delivery systems face operating deficits now and in the future;

NOW, THEREFORE, I, GRAY DAVIS, Governor of the State of California, by virtue of the power and authority vested in me by Section 3(b) Article IV of the Constitution of California, do hereby convene the Legislature of the State of California to meet in special session at Sacramento, California, in the 9th day of December, 2002, at a time appointed by each house of the Legislature of said day for the following purpose:

1. To consider and act upon legislation to reduce General Fund expenditures and take other actions as necessary to address the budget shortfall.
2. To consider and act upon legislation to reorganize and consolidate state operations.
3. To consider and act upon legislation related to protecting access to services in local, public, health care delivery systems.
